On behalf of the staff and students of Kaiaua School, we would like to thank you for your kind donation.

We are a small school and as kaiako we know every student, their likes, their dislikes, their strengths and their areas to work on. Our dedicated staff work hard to meet our tamariki's learning needs and provide them with the best possible education.

Your donation has arrived at a great time. One Monday the 14th of October we will be holding a powhiri for 350 people to welcome our new tamariki and our new Tumuaki - Carrie Taipari. Now our guests will have something to sit on and we will have tables for the Kai to be served from.

Looking into the future the chairs and tables will be used for school and community functions and will be available for events at Wharekawa Marae. Your generous gift to our kura and community is gratefully received.

Nag mihi nui,
